01584841288	PCO PCO1 TUGFORD CRAVEN ARMS	SY7 9HS	KX100		0	Abdon and Heath PC					SC decision to Object to removal of telephony and kiosk on the following grounds; rural isolation; concerns over mobile phone coverage.	Object
01584877253	PCO1 TOWER STREET LOWER GALDEFORD LUDLOW	SY8 1RL	KX100	Ludlow	399	Ludlow TC	Ludlow Town Council strongly object to the removal of the kiosk based on the following reasons: <ul style="list-style-type: none"> The removal of the kiosks in Station Drive (01584 876307) and Old Street were not consulted on because the Tower Street kiosk was in place and within 400 metres of both locations. With the removal of those two kiosks approved, the kiosk at Tower Street should be automatically removed from the consultation and considered permanent. In the initial consultation letter (attached) three payphones were not proposed for removal. These are located in Castle Street, Castle Square and Tower Street/Lower Galdeford. Out of these three locations Tower Street has the greatest usage figures. The Tower Street/Lower Galdeford kiosk is located at the town's only informal 'taxi rank', however there is quite often no taxis available. Members of the public without a mobile telephone would therefore use this kiosk to contact a friend, relative or taxi. 	Local Member Andy Boddington has taken a keen interest in the consultation and publicised it on his personal blog in relation to the loss of the boxes. Comments from Ludlow South Councillor Vivienne Parry (member for the adjacent ward) were also received as follows: 'Taxis do not operate at night. Payphones are needed to contact for collection from the train station. Payphone is well used by a number of people'	Comment from member of the public that it fulfils a clear social need. 'I note with concern that one of the phone boxes is due for removal but for no good reason. I do not want this to be removed. Not all of us have mobile phones and phone boxes on the whole are more reliable. They can be used by anyone who pays for the call in cash and do not run out of credit, and do not need a signal.'		SC decision to Object to removal of telephony and kiosk in line with local views. The town council has reinforced their own view and made further efforts to seek additional feedback. SC remain concerned that two other payphones were removed in part because of the presence of this payphone, which continues to attract high usage and fulfils a clear social need. We reluctantly accepted the BT action on the other two payphones but are very clear in our view that this one needs to be retained.	Object
01691652260	PCO PCO1 WESTON ROAD MORDA OSWESTRY	SY10 9NS	KX100		113	Oswestry Rural PC	Object - Members unanimously agreed that the payphone should be kept.				SC decision to Object to removal of telephony and kiosk in support of the view of the local town council and due to high call usage.	Object
01691653003	PCO1 MIDDLETON ROAD OSWESTRY	SY11 2PN	KX100		189	Oswestry TC	Object - Members felt that given the high usage that the payphone should be retained and objected to its removal.				SC decision to Object to removal of telephony and kiosk in support of the view of the local town council and due to high call usage.	Object
01691661200	PCO1 WEST PLACE GOBOWEN OSWESTRY	SY11 3NR	KX100		45	Selattyn And Gobowen PC	The Parish Council initially had no concerns regarding removal of the phonebox but noted their support for the retention of the service upon consideration of the ongoing call usage, mobile phone coverage and lack of other local payphones.			WMP Neighbourhood Team - Not aware of any potential issues posed if this pay phone were to be removed.	SC decision to Object to removal of telephony and kiosk due to following rationale: ongoing call usage; continued concerns over mobile phone coverage; lack of other payphones in locality for resident and visitor access; location of payphone close to the library and school. The payphone is seen as continuing to fulfil a social need across demographics accordingly.	Object
01691773318	ALBERT SQUARE PCO1 STATION ROAD WESTON RHYN OSWESTRY	SY10 7RS	KX100		40	Weston Rhyn PC	The Parish Council noted the consultation on the payphone removal from Albert Square, being resigned to the fact that it will be removed. However, they support the retention of the kiosk on the basis of ongoing call usage, continued concerns over mobile phone coverage; lack of other payphones in locality; location of payphone close to local amenities.				SC decision to Object to removal of telephony and kiosk due to following rationale: ongoing call usage; continued concerns over mobile phone coverage; lack of other payphones in locality; location of payphone on main bus route and near a stop, and close to the school. The payphone is seen as continuing to fulfil a social need across demographics accordingly.	Object
01743247754	JCT WOODHALL CL/NEW PARK RD PCO1 NEW PARK ROAD SHREWSBURY	SY1 2SP	KX100		34	Shrewsbury TC	Support removal				SC decision to Consent to removal of the telephony and kiosk, in support of Town Council views.	Consent
01743271033	PCO1 CLAVERLEY ROAD SHREWSBURY	SY1 4QR	KX100		9	Shrewsbury TC	Support removal				SC decision to Consent to removal of the telephony and kiosk, in support of Town Council views.	Consent
01743790200	PCO PCO1 PONTESBURY SHREWSBURY	SY5 0TG	KX100		35	Pontesbury PC	Objects to the removal of any BT telephone kiosks within the Pontesbury parish due to their concern about emergency access in a rural area with unreliable mobile coverage, alternative payphones being some distance away for those with mobility problems; general concerns over consistency and quality of mobile phone coverage; and kiosks fulfilling social need. Also object on the grounds that it is essential to have BT phone boxes remain in uncertain times as a back up if residents are unable to use mobile phones. Strongly recommend at this time a decision is made to keep open all BT phone boxes and defer this survey to a future date.				SC decision to Object to removal of telephony and kiosk due to following rationale: ongoing call usage; endorsement of Parish Council views.	Object
01902373590	PCO PCO1 NEWPORT ROAD ALBRIGHTON WOLVERHAMPTON	WV7 3NB	KX100		21	Donington and Boscobel PC	Object - It is an accident hotspot, still in use and mobile signal is not reliable.				SC decision to Object to removal of telephony and kiosk due to following rationale: ongoing call usage; it is the only payphone in the locality, and well situated for emergency usage as it is opposite the main caravan sales site on the busy A41; it is on the national cycle route and close to an accident black spot; endorsement of Parish Council views.	Object
01952460507	PCO PCO1 NEWPORT CRESCENT SHIFNAL	TF11 8BS	KX100		167	Shifnal TC	Object - High Usage				SC decision to Object to removal of telephony and kiosk due to following rationale: high call usage; endorsement of clear rationale given by Town Council, whereby payphone is seen as continuing to fulfil a social need, now and into the future.	Object
01952460554	PCO PCO1 BARN ROAD SHIFNAL	TF11 8EL	KX100		0	Shifnal TC	Object - Large amount of new housing development close by				SC decision to Object to removal of telephony and kiosk due to following rationale: continued and anticipated social need; endorsement of clear rationale given by Town Council, whereby payphone is seen as continuing to fulfil a social need, now and into the future, due to large amount of new housing development nearby.	Object
